RE: Notice of Workshop: ICC Docket #01-0808

A workshop will be held in Springfield on June 5, 2002, to discuss issues related to the intrastate impact of the FCC's MAG Plan decisions, as outlined in an IITA petition of December 2001.

The workshop will be held in Springfield from 10:30 am to 2 pm at the Commission's offices at 527 E. Capitol Ave. An agenda will be available on the Commission's web site (www.icc.state.il.us) prior to the workshop. Any interested party unable to attend at this location may dial into an audio bridge (1-800-659-9357, passcode 5997491#). A status hearing in this docket will be held at the conclusion of the workshop.
